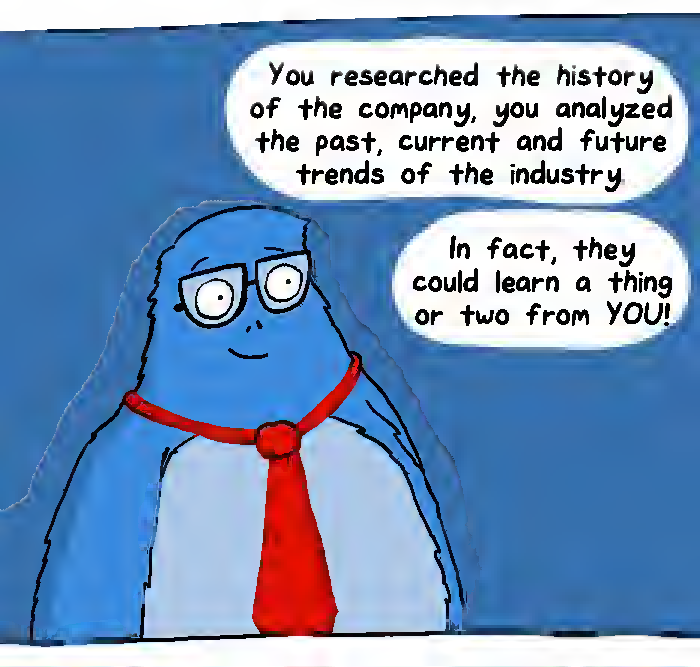
Lars

You've got this, Lars
Your experience is impressive; you KNOW you'd be awesome at this job and they'd be lucky to have you



You researched the history of the company, you analyzed the past, current and future trends of the industry
In fact, they could learn a thing or two from YOU!

All that's left is to exude some well-justified confidence during the interview!

Thanks for coming, Lars. Now, why do you think you'd be a good fit for our company?
I AM SO DESPERATE PLEASE HIRE ME!
